

FIT/SIZES

SIXS clothing is designed to fit the athlete's body snugly, like a second skin, enveloping and protecting it without applying too much pressure.

Owing to the extraordinary stretch of the Carbon Underwear® fabric and outstanding fit, choosing the right size allows for a considerable tolerance. In any case, if you have never worn SIXS, we recommend that you stop in at an authorized store to ascertain your correct size.

SIXS products are technical items, and are not suitable for casual use.
