TECHNOLOGIES

- Seamless Technology
- Antibacterial fiber
- Hydrophobic weave

SIXS motorcycle socks allow the athlete's feet to stay dry all the time owing to the reinforced BreathFit Socks® fabric. Protecting the skin from an accumulation of perspiration also means eliminating foul odors. The seamless design, the anti-torsion elastic band on foot and ankle, and the abrasion-proof reinforcement on the shin and instep make this product particularly comfortable and high performing, even inside motorcycle boots. Great for both the hot and cold seasons.

MATERIALS

BreathFit Socks®
Ultralight, durable and extremely breathable: the composition was studied to achieve ultimate sweat wicking and thermoregulation.
